BUT WHY..

Simply put - it is a THANK YOU!

>**Thank you** to everyone for all your hard work to get us through the pandemic.

>**Thank you** to everyone for doing everything they had to do to keep the doors on the business open!

>**Thank you** to everyone for everything they do everyday.

Year one - Warrant and they were awesome. Year two Night Ranger raise the bar that much higher. It was an unbelievable show! Even with the weather issue in 2022 Gibson City welcomed an estimated 2500 fans to the show. We expect that number to increase even more for 2023. We want you to be a part of it!
